A SHOW BY

ymedioteatro

„ Friendship is a single soul  
dwelling in two bodies;  
one heart living  
in two souls “  
Aristotle

ymedioteatro presents its most personal and vibrant proposal...

BEING FREE, MANY TIMES, IS NOT ABOUT BREAKING THE  
BONDS BUT ABOUT LIVING TOGETHER WITH THEM

WHILE TRYING TO DO SO, LIFE REPEATS IN AN ECHO THAT  
RESONATES IN THE WALLS OF HEADS AND HEARTS

**This could be the recurrent nightmare of two  
comedians caged on the stage. A dance of  
visual metaphores that exposes the entangled  
thread that has been weaving their relationship.  
This could be our own story.**

**A comedy show that talks about  
the poetry which ties us up to life**

**A creation process guided with care and precision  
by the knowledge of one of the reference companies in the  
international scene of puppet and movement theatre  
(Zero en Conducta) and by an excelent clown (Delfín Caset).**

**« Delicate, tender, kind, intelligent, original, surprising and evocative. Those could be some of the adjectives applicable to 'Eco'. »**

**[...]**

**'Eco' has been exciting from the first moment. The public has been getting more and more into what was happening at the Darymelia, in total connection with the two characters who, from the stage, have directed the emotions of those present. Good job of two guys who do extraordinary things out of simplicity. »**

*R.I. Ideal Jaén, 30<sup>th</sup> October 2022*

**« The Ymedios multiply, leaving their name small, and make us into testimony of their tender, mischievous, ingenious, amusing and beautiful complicity, which they show us in the ways of clowns and mimes and puppeteers, of good actors, who do not just make gestures or objects, but good theater. »**

*Javier Matesanz, Última Hora Mallorca, 22<sup>nd</sup> May 2022*

**« Two magnificent actors who embroider a performance full of impeccable rigor and technical mastery. »**

*Toni Rumbau, Titeresante Magazine, 4<sup>th</sup> of May 2021*

**« It was a continuous magic and a truly touching ending. »**

**[...]**

**We recommend this show for adults and teens who want to get moved inside. »**

*L'Osservatorio dei Ragazzi, Torino, 1<sup>st</sup> of October 2021*

**« The acting is magical [...] A perfect choreography that makes us laugh, cry, think and live. »**

*Manu Lumière, Lumière Noire Musique, 11<sup>th</sup> of February 2020*

**« That EchO that we all have inside the others, ymedioteatro turns it into creative and artistic matter. A life lesson that we have been able to enjoy at the Palma del Río Fair. »**

*Press at the Andalusian Scenic Arts Fair, Palma del Río, 4<sup>th</sup> of December 2020*
